BRITE' ALUM

CONDENSER COIL CLEANER

DESCRIPTION

BRITE' ALUM is an acid based condenser coil cleaner that cleans and brightens with deep penetrating foaming action. Specially formulated to remove scale, oxides and contaminants. Original heat transfer capabilities are restored, resulting in improved efficiency and lower energy bills. Coils are left shiny like new. May also be used on electronic air filters. One gallon makes 4 gallons of ready to use coil cleaner. Rinsing is required. VOC content is zero.

FEATURES AND BENEFITS

- Acid-Based Cleaner
- Heavy Foaming Action
- Cleans and Brightens
- Removes Scale and Oxides

SPECIFICATIONS

Appearance: Cloudy to Clear Pink Liquid | **Odor:** Acid Odor | **Freezing Point:** < 32°F (0°C) | **Flammability:** Not considered a flammable liquid by OSHA | **Vapor Pressure (mmHg):** 23.8 mmHg @ 77°F (25°C) | **Vapor Density (AIR=1):** 1 | **Evaporation Rate:** < 0.8 (Slow) | **Specific Gravity (H2O=1):** 1.02 @ 77°F (25°C) | **pH:** 0.5 | **Solubility in Water:** 100% | **Volatility Including Water (%):** 87% | **Volatile Organic Compounds (VOC):** < 1%

LABEL INFORMATION

BRITE' ALLUM is an acid based detergent cleaner that cleans and brightens with heavy foaming action. Formulated especially to remove scale and oxides.

DIRECTIONS: Refer to the Safety Data Sheet before using. Goggles, gloves, face shield and protective clothing should be worn when using this product. Turn system off. Mix 1 part Brite' Alum with 3 parts water. Do not use undiluted. Spray directly on coil, using a low pressure Vapco tank sprayer. If necessary, repeat spraying to penetrate multi-coil unit. Rinse thoroughly after 3 to 5 minutes. Keep from freezing.

Dangers: Read and understand the product's label and Safety Data Sheet. Toxic if swallowed, in contact with skin, and if inhaled. Causes Severe skin burns and eye damage. May cause respiratory irritation. May be corrosive to metals.

CONTAINS

BRITE' ALUM CONTAINS (CAS#) : Hydrofluoric Acid (7664-39-3), Water (7732-18-5)

First Aid Measures

Inhalation: Move to fresh air. **Seek medical attention if you feel unwell.**

Skin Contact: If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Seek medical attention if irritation persists.**

Eye Contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **Seek medical attention if irritation persists.**

Ingestion: Rinse mouth. Do NOT induce vomiting. **Seek immediate medical attention.**

Precautions

Do NOT handle or use this product until all safety precautions have been read and understood. Do not eat, drink, or smoke when using this product. Do not breathe mists. Wash hands and gloves thoroughly after handling. Wear protective gloves, safety glasses, face shield, and protective clothing.

Storage

Keep out of reach of children. Store in a cool, dry area away from extremes of temperature. Keep container tightly sealed when not in use. Store locked up.

In Case of Fire

Use appropriate media for surrounding fire. Wear full protective clothing and NIOSH approved SCBA with full facepiece operated in positive pressure or pressure demand. Use water mist to keep material cool in fire situations. Non-combustible. Water spray may be used to keep fire exposed containers cool.

Disposal

Dispose of in accordance with federal, state, and local regulations. Do not reuse container and recycle or place in trash collection. This product is biodegradable.
